

Join the Panther Pack: Adopt a Varsity Panther!

The Panther Pack adoption program gives boys in 1st through 6th grade the opportunity to have fun while being involved and interacting with Paschal High School's varsity football players.

Each member of the Panther Pack will receive the following:

- 1) A Paschal Panther Pack t-shirt
- 2) A photo button picture with their adopted Panther
- 3) On the field introduction at Meet the Team Night on August 19th
- 4) Opportunity to go in the locker room and run on the field with the team at one Paschal home game

Adoption Process:

- 1) As soon as the current roster is online (you will be notified by email), go to the Paschal website and check out the players at:
paschalhs.org/athletics/football/teams/rosters (click on name)
- 2) Select three players that you are interested in adopting
- 3) Send an email with your three choices to Kathryn Hansen at kalerik3@yahoo.com.
- 4) Players will be assigned on a first come/first serve basis. Preference will be given to boys who wish to re-adopt the football player they adopted last year. Please specify if you are re-adopting a player.
- 5) A \$20 donation to Paschal Football Boosters is requested. The registration form and your check may be mailed to the address on the registration form below.

IMPORTANT: Please arrive by 6:30 on Meet the Team Night, August 19th!
